Eligibility

An application on behalf of a student may be submitted if the student is:

- a Victorian resident;
- school aged and enrolled (3) three or more days per week at a school; and
- attends a specialist school or recognised special setting anywhere in Victoria

A student who meets the above requirements may be eligible if they:

- reside within the Designated Transport Area (DTA) for the Government Specialist School attended and is on the Program for Students with Disabilities (PSD), or
- attend their nearest appropriate non-government specialist school, or
- attend their nearest recognised special setting, and
- reside 4.8km or more by the shortest practicable route from the school/campus attended

Note: Eligibility is assessed when the School completes your child's application on the Student Conveyance Allowance System (SCAS). If approved, the allowance payable is based on the one way distance to make the journey to and from school.

Conveyance allowance cannot be paid if there is a bus service available and a family chooses not to access the bus service. However, the student may be eligible for the conveyance allowance if a physical, behavioural or health reason prevents them from accessing the bus. The Student Transport Unit will require documentation supporting the conveyance allowance claim before it can be submitted to the Conveyance Allowance Unit for payment.

****Travel educated students travelling independently to and from school may claim the conveyance allowance to access public transport irrespective of the availability of Students with Disabilities Transport Program (SDTP)-provided service or if they are less than the minimum distance criteria of 4.8km (please contact your school). For example, students undergoing travel training/education, where public transport is used the allowance payable is based on the least expensive public transport fares.**

Students who are privately transported 4.8km or more to meet public or school transport services may be able to claim a private car conveyance allowance as well (Multi mode).

For further information regarding the Conveyance Allowance Program see: www.education.vic.gov.au/travellingtoschool

***Multi mode conveyance allowances**

Multi mode conveyance allowance applies when a student uses more than one mode of transport (e.g. private car and public transport) for a journey between home and school.

A conveyance allowance may be granted at the appropriate rate for private transport or public transport where the distance travelled is 4.8km or more for each leg of the journey. This provision does not apply if the journey could have been undertaken using a single mode transport or one leg of the journey is less than 4.8km.

Where two modes of private transport are used (private car and private bus), the amount payable is based on the distance from the student's residence to the school/campus at the private bus rate.

Rates are calculated using the shortest practicable route (measured in kilometres) from the student's residence to the school/campus attended.

Multimode is not applicable under the 'next nearest' school allowance or to attend a more distant school.
